CRY UNCLE!

HO HO say can you see
Any carriers at sea
Tanks rummage cross fields
The infantry streaming
Tomahawks and Patriots
Screech through the skies
B-52s drown out the cries
Watch down below
While homes burn in your eyes

THE ALLIES! THE ALLIES! COME SWARMING LIKE FLIES!
DRONES FLYING LOW TO ROOT OUT SPIES!

Mothers and fathers and
Children and pets
Hospitals / Schools
Markets and Mosques / All
Unintended accidents
'Collateral damage'
General Powwow protests
'Terror to spare for today's
Victims of high tech'

**THE ALLIES! THE ALLIES! COME SWARMING LIKE FLIES!
DRONES FLYING LOW TO ROOT OUT SPIES!**

Your own government's
The one you must blame
We've come to convert you
For Democracy's the name of this
High stakes game
Delivered
Knock! Knock!
Hot on your doorstep
Spiced Texan style / With spent
Nuclear residue
Authorized force by
Parliaments / Of course
They're elected
They vote
Who goes up next in smoke / And don't
Count out the corporates
Who'll raise the score more

**THE ALLIES! THE ALLIES! COME SWARMING LIKE FLIES!
DRONES FLYING LOW TO ROOT OUT SPIES!**

Try and resist
We'll show you a fist / Fuck
In the face
For the US is best
Israel next
Brits / Aussies / Even the Spanish
Conquistadores
Of *chic* post-modern
Imperialist design
As for the rest / Well
You'd better learn now
How to kowtow
Or we'll send in the 101st
To do you in worse

**THE ALLIES! THE ALLIES! COME SWARMING LIKE FLIES!
DRONES FLYING LOW TO ROOT OUT SPIES!**

War's war / 21st century
Preemptive *Blitzkrieg*
Shock and Awe / A futuristic
Game / Played by boys / Save for
The bagged body
Count them / But
Edited live by CNN
For the delicate appetite of your
States-side consumer
Raw footage far too
Explosive
Mothers clutches her
Newborn / Child with
Mangled limbs
Those who dare protest
Against us / Pro-Saddam / And
Goddamn un-American

**THE ALLIES! THE ALLIES! COME SWARMING LIKE FLIES!
DRONES FLYING LOW TO ROOT OUT SPIES!**

All we want is the
Oil
In your soil
Whet the wild west's insatiable thirst
With more siphoned off to pay
The regimes next door
There's Egypt / There's Jordan / Qatar
They bow and they scrape
Kuwait
Flush Saudi Princes
Grovel
The Turks
They'll gladly dive in to divvy
Spoils
Anyone / Everyone / Except for
The Kurds
Who'll curry no favor with us

BOOM BOOM! BOOM BOOM! KA-PLOWIE! KUR-PLUNK!
SIMPLY CRY UNCLE WHEN YOU'VE HAD ENOUGH!

Baghdad and Basra / Tehran's next
Astride a pool too rich for just your
Desserts
Damascus / Beirut
The last Palestinian left standing
Bone dry in a no man's land
Surrounded by settlements / A fence
No water / No groves
No herds / No homes
Abandoned
Dealt a deafening defeat / By lack of
UN resolution
Their only defense their children's
Defiance

ALL THE LIES! ALL THE LIES! COME SWARMING LIKE FLIES!
IT'LL BE A SURPRISE IF ANYONE SURVIVES!

Bush / Blair / Sharon
Share the blame
With those / Complicit
In silence
Blood stains souls
For who in the end is truly / The
Terrorist
Though never shall these three
Stand
Shoulder-to-shoulder in
The dock / Smack nabbed next to
Milosevic

BOOM BOOM!
SIMPLY CRY UNCLE!

BOOM BOOM!
SIMPLY CRY UNCLE!

BOOM BOOM!
SIMPLY CRY UNCLE WHEN YOU'VE HAD ENOUGH!

BOOM BOOM! BOOM BOOM! BOOM BOOM! BOOM! BOOM!
